Rented cars in Italy

If you have rented a vehicle and the rental company has withdrawn money from your credit card, this concerns administrative fees in order to provide the Police Office with the personal data of the offender.

The municipality of Bologna is not responsible for those fees and the fact of paying them does not mean that you have paid the fine.

Payment

If you found a ticket on the windshield, you can pay it online without additional charge, following the instructions below:

Targa - Please enter the licence plate number

Numero Verbale - Please enter the fine number (do not enter the numbers after the dash)

If you have problems by entering the "codice fiscale" (Italian tax identification number), you can either enter 16 X (x letter) or ignore the request and go on

Please enter your e-mail address and confirm

At this point, the website will offer you several payment options (credit card, online banking, etc.)

You need to choose among one of the bank circuits offered by the system. The payment involves a 1,00/1,50 € fee

If you received a fine notification, please proceed with the payment by following the instructions provided in the letter.

Warning:

We suggest you to pay as soon as possible, at least within a week.

Please send us a payment proof to the following email address: verbalicodedellastrada@pec.comune.bologna.it or pmufficioverbalicds@comune.bologna
